## **“RENEW YOUR DUES ON-LINE” at OSTCINC.ORG**

This year, you are able to renew your dues on line. Go to **Dues** and click on **Member Renewal on Line**. Check your information, make any changes, pay your dues and send it off – that easy. You will be able to print off your own membership card and your receipt. **Renew soon because after 7/31/17 there is a \$50 late fee.**

Also, remember that OSTC will be sending all correspondence and seminar information via Constant Contact, our e-mail system. We have a new **Constant Contact Chair, Lynn Bike**, so you may see her name on your e-mails from OSTC starting soon. In addition, if you do not wish to be added please indicate by putting your initials on this line \_\_\_\_\_. **But remember, all correspondence is sent out to our members via Constant Contact. We no longer snail mail the State Events. And in the future, all registration, dues and quick finder orders will be done on-line.**

(Your email address or name will NOT be sold and dispensed for any purpose or to any other organization.)  
**If you have already paid your annual dues at Spring Fling in May 2017, please disregard this notice.**
